## The Story Line

Miles has always been a **Mama's Boy**. Ever since his father's death, his mother, Alice, has wrapped him in a web of grief, guilt, and quiet manipulation—keeping him devoted to her every whim.

But when Miles falls deeply in love with Alysha, the fragile bond between mother and son is suddenly threatened. Lines are drawn, hearts are tested, and the peace inside their home begins to crumble.

Now Miles must face the ultimate choice:  
Will he break free and finally become his own man...  
or remain forever trapped as **Mama's Boy**?
